Corwin Wright

Professor of Atmospheric Remote Sensing

Bath, United Kingdom c.wright@bath.ac.uk 0000-0003-2496-953X corwin365

Experience

University of Bath, Professor of Atmospheric Remote Sensing — Bath, UK
Research on atmospheric gravity waves, satellite remote sensing, and middle-atmosphere dynamics. — Jan 2023 – present, 3 years 10 months
- Co-Leader, SPARC Gravity Waves Activity (2022–present).

University of Bath, Director of Research, Electronic and Electrical Engineering — Jan 2025 – Jan 2026, 1 year 1 month

University of Bath, Founding Co-Director, Centre for Climate Adaptation and Environmental Research — Jan 2022 – Jan 2026, 4 years 1 month

University of Bath, Royal Society University Research Fellow — Jan 2017 – Jan 2026, 9 years 1 month

University of Bath, Research Officer, Research Fellow and Senior Research Fellow — Jan 2013 – Jan 2023, 10 years 1 month
Research Officer (2013–2017); Research Fellow (2017–2019); Senior Research Fellow (2019–2023).

National Center for Atmospheric Research, Contract Researcher — Boulder, Colorado, USA, Jan 2012 – Jan 2013, 1 year 1 month

Université de Bretagne Occidentale, Postdoctoral Researcher — Brest, France, Jan 2011 – Jan 2012, 1 year 1 month

National Center for Atmospheric Research, Postgraduate Scientist — Boulder, Colorado, USA, Jan 2010 – Jan 2011, 1 year 1 month

Education

DPhil **University of Oxford**, Atmospheric Physics — Jan 2006 – Jan 2010

MSc **University of St Andrews and Heriot-Watt University**, Photonics and Optoelectronic Devices — Jan 2005 – Jan 2006

MSci **Durham University**, Physics — Jan 2001 – Jan 2005
